

## Daily's Premium Meats

A phrase we hear often is, “I’m not really a bacon fan, but I love that Daily’s bacon in your catalog!” Daily’s Pre-cooked Hickory Smoked Bacon Slices (#4835) are an Alison’s Pantry top-seller. Customers keep coming back for more of this lean, flavorful bacon.

Daily’s Premium Meats has been offering its customers delicious meat products since 1893. Daily’s made a reputation as “the bacon specialist” with its unique honey cure that gives their products their signature flavor.

In addition to pre-cooked bacon, Alison’s Pantry also offers several other premium meat products from Daily’s including pork sausage patties (raw and pre-cooked), sausage links, and ham steaks.

Add some to your order this month, and you’ll want your bacon “Daily” too!

### **BLT SALAD**

- 12 slices Daily’s crisply cooked bacon, coarsely crumbled
- 4 cups shredded romaine
- 16 dried tomato halves, drained if packed in oil, or rehydrated
- 8 oz. fresh mushrooms, thinly sliced
- 4 Tbsp. olive oil
- 3 Tbsp. red wine vinegar
- 1/8 tsp. sugar
- Salt and pepper to taste
- 1/4 cup sliced green onions

In large bowl, toss together romaine, tomatoes, and mushrooms. Whisk together olive oil, vinegar, sugar and seasonings. Toss with salad mixture and divide onto four plates. Top each salad with green onions and bacon.
