"I decided to bake up some of the Bosco Cheese-Stuffed Breadsticks (#5620). What a hit they were! If only everything could taste homemade fresh from the oven like these did." Melissa Wrigley, Wright, WY

Bosco Cheese-Stuffed Bread Sticks (#5620) are a family favorite. Just thaw and bake them until they're golden brown. These pair beautifully with any Italian fare, or with a nice salad for a lighter meal. Teenagers love them as a snack! You can brush them with melted butter and sprinkle on Kraft Parmesan Cheese (#1683) or Tony's Pizza Topping Blend (#3234) for added pizzazz.
