

Alison's Pantry offers many restaurant-quality products to help you plan the perfect rehearsal dinner or reception, and stay within your budget.

How can we help the Bride to Be?

If you are looking to keep costs down by preparing the family dinner and/or reception goodies yourself, we have many wonderful items to help you present a memorable meal!

Rehearsal Dinner Possibilities

Favorites for an elegant and satisfying rehearsal dinner could include: Holten Ribeye Steaks, Holten 'Choice' Seasoned Flat Iron Steaks, Chicken Cordon Bleu, Chicken Kiev, or Natural Boneless/Skinless Chicken Breasts. Include Teton Valley Gourmet Twice Baked Potatoes, or our wonderful frozen vegetable blends – Grande Classics Normandy Blend, Caribbean Blend, Riviera Blend or Key West Blend. Add some home-baked Orange Bakery Croissant or Butter Flake Rolls for good measure, and then an impressive dessert like Father's Table cake rolls, cheesecakes or Plentiful Pantry Lemon Bars.

Reception Delectables

Instead of the traditional sheet cake, why not try something different? We have several items to tantalize your guests' taste buds! Simple mixes that make mouth-watering delectables: Richly Delicious Fudge Brownie Mix, Marvelous 'n Chewy Macaroon Mix (drizzle with melted chocolate for a dazzling effect), Luscious Éclair and Crème Puff Mix (we can even help you with the fillings: whipped cream, custard, pudding, fruit filling or even chicken salad)!

Filling the Pantry of Your New Home

After all the excitement is over and you're home from the honeymoon, Alison's Pantry can help you stock your pantry in your new home. We provide another way to get the foods you need every day! We have wonderful items to help with cooking from scratch to heating in a microwave - meats, breads, frozen fruits & vegetables, cheese, bulk spices, mixes, chocolate, flavorings, basic items for baking and cooking, pastas, gelatins and puddings, gravies and soup bases, kitchen utensils, emergency supplies, long-term food storage, storage containers, beverages, snacks and munchies!
