

"I've been begging Alison to include Coach's Oats in the AP catalog, so I was giddy when she tried them and obliged. This is NOT your grandma's gummy oatmeal! They are toasted with a patented process that makes for a perfect texture and wholesome flavor. I have never been an oatmeal-eater, and now I literally crave this heart-healthy breakfast. They are truly so good you'll want to order two bags."

Coach's Oats
#5644, Catalog #5
NEW this month!
3 lb. zippered pouch
\$5.79

- Developed by a gymnastics coach, who wanted oatmeal that wasn't soggy and pasty.
- Coach's Oats make it easy to have a fast, healthy breakfast.
- Cooks in 5 minutes.
- The oat groats are toasted to bring the natural sugars to the surface of the oat, then cracked into small pieces.
- Never mushy!
- Oats reduce total cholesterol and LDL cholesterol levels.
- Try Coach's Oats with brown sugar and maple syrup, chopped walnuts, apples, bananas or dried fruit. Delicious!
- Available in limited markets.
