Me 'N Stan's PRODUCTS

Alison's Pantry is now carrying delicious Me 'N Stan's products in the catalog and storefront.

The Me 'N Stan's company began in their Rexburg, ID restaurants in 1969. Their restaurants served homemade bread and scones, and they needed a spread that would be complimentary to both. Me 'N Stan's Honey Butter was born, and soon customers wanted to take some of the heavenly spread home for later. The Me 'N Stan's Honey Butter business grew and eventually they closed their restaurants and have focused on producing their premium quality jams and honey butter spreads. Their fruity jams are the closest thing to homemade.
