Alison's Pantry is excited to offer this variety of healthful, all-natural products from the Redmond Trading Company.

#6290 Redmond Bath Salt Plus (18 oz.) \$8.99

A completely natural mineral sea salt from a sea salt bed that dates back thousands of years. Contains more than 50 natural trace minerals to detoxify and remineralize body and skin, including potassium, magnesium, selenium, zinc and more!

#6291 Redmond Clay (10 oz.) \$10.99

Redmond Minerals brings this "clay of a thousand uses" to market in its natural state, with no additives, chemicals, or preservatives. Redmond clay can be used externally as a poultice or internally for ulcers, etc. See website to learn more.

#6294 Redmond Clay Facial Mud (4 oz.) \$7.99

Redmond Clay's Facial Mud is important to your skin's overall health and well-being. It helps to clarify skin, remove excess oil, shrink pores, draw out toxins, tone skin, remove impurities and deep clean skin. It's safe for all skin types.

#6295 Redmond Clay Baby Powder (3 oz.) \$6.99

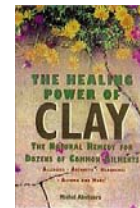

Redmond Clay Baby Powder is talc-free and unrefined, perfect for your baby's sensitive skin. This rare, high-desert clay has no chemicals or fragrances so you don't have to worry about allergies or skin irritations.

#6293 Redmond First Aid Clay (4 oz.) \$7.99

Redmond Clay First Aid is a key component in your first aid kit. Use Redmond Clay First Aid on burns, cuts, abrasions, insect bites, bruises, rashes, bee stings, blisters, poison ivy, poison oak, and dry itchy skin.

#6292 The Healing Power of Clay Book \$13.99

This paperback book by Michel Abehsera is a complete guide to clay and what it can do for health and beauty. Learn how to use clay for headaches, allergies, arthritis, cuts, bruises, burns, acne, anemia, and as a deep cleansing mask and shampoo.

#6296 Hopes Harvest Extra Virgin Coconut Oil (16 oz.) \$14.99

Hope's Harvest Extra Virgin Coconut Oil is completely natural and unrefined. Coconut Oil is highly stable and does not create any trans fat. It contains no cholesterol and provides lauric acid which has been shown to boost the immune system and increase the body's metabolic rate.

Use Coconut Oil in place of butter, margarine, or shortening for baking or frying. Or use liberally on skin as a moisturizer, massage oil, or bath oil.

Hope's Harvest also provides work for rural Kenyan farmers allowing them to afford education for their children.
