## From the Family

### Hello, Everyone!

Alison's Pantry has some great changes coming soon that will help reps and customers immensely, and make your lives easier. Our new website will be live for Catalog #8 and customers can put in their own orders. If you prefer, your Rep can still input orders for you. Check out [alisonspantry.com](http://alisonspantry.com) after July 10th to see for yourself. We've given a lot of thought and time to our website updates and we hope you really like the changes.

**Also, a friendly reminder—please keep this catalog for Catalogs 7, 8 and 9. This is our new quarterly catalog and we will also send a 16-page sales flyer with special discounts and offers each month.**

I hope you're enjoying the warm weather and are going out to barbeque with your

friends and families! Now that I'm engaged, I will be spending much more time hiking, swimming and doing many more out-door activities with my fiancé. I will get to share with her our summer family traditions of going to our mom's house and eating outside while watching the geese on the pond. I love going to Alison's house. It's always so fun to relax there on a Sunday afternoon. After dinner, I love to go out on the pond with the paddle boat and do some fishing (catch and release). McKayla (Josh's daughter) loves to fish, so she's always up to join me. I'll be doing a lot with the family this summer. I hope you get to spend a lot of time with your family too!

Until next time,

*Jesse Kissee*

My go-to seasoning!

"This is my go-to seasoning. I use this in everything—roast, potatoes, spaghetti. It makes a super easy meal, I take #5513 Foster Farms Chicken Breast and sprinkle Garlic Supreme over it, bake in the oven, and I have my main meal done and still have time to chase the kids!"
