"I have been selling Alison's Pantry for about 6 years. I started selling Alison's Pantry as a stay-at-home mom. I loved the food and with the thought 'I bet my mom and I could meet the minimum order,' it's quickly turning into a nice extra income for our household.

I thoroughly enjoy meeting up with my customers and friends once a month. I love hearing how much they enjoy the food and products, just as much as I do. I genuinely love the products and the people we work with at Alison's Pantry."

Erin Brackel, Reeder, ND
Average Monthly Sales: $10,000

"I love Alison's Pantry because it gives my family some freedom for income so my girls can be in extra curriculars! I sell Alison's Pantry because our community is so small and it helps out the elderly population, as well as giving some variety to our local families."

Are you missing out on BIG SAVINGS?

In addition to our catalog products, we also offer a selection of deeply-reduced, online-only offers that we call Hot Deals. These limited-quantity deals, like the ones shown here, are so hot, they sometimes sell out fast.

Hot Deals are manufacturer overstocks, items close to their printed expiration dates, or products that have inconsistencies with sizing or breading (manufacturers call them "#2 products"). They're still 100% delicious and backed with our money-back satisfaction guarantee. We love finding these quality products at amazing savings for Alison's Pantry customers.

Hot Deals are a great way to stretch your budget and stock your freezer!

#3871 2-Compartment (with 1 & 2 Cup Measurement Lines)**....$9.99**

★★★★★

"This 4-compartment mold is a great tool for efficient use of cook time, economic preservation of all leftovers, and utilization of freezer space. I freeze leftover homemade soup in 1 cup portions, then pop the frozen portions out from the mold and store in freezer-grade Ziploc bags. They fit easily in my freezer door for very efficient use of space. We remove frozen soup blocks for quick microwaved cups of soup. Ditto that for chili and casseroles. Since hubby & I are seniors and the only ones still at home, I also use this 4-compartment mold to freeze carefully sliced portions of frosted cakes or brownies and bar cookies. When I remove them, still frozen, I place them on dessert plates. They have a perfect presentation while thawing quickly at room temp."
Margaret Fielding, Castle Dale, UT

★★★★★

"I have purchased both the 2-compartment mold as well as the 4-compartment mold. The larger-size portion mold works best for storage of leftover chili, casseroles, soups, and other main dishes. I especially appreciate that the frozen food pops out easily and can be stored in freezer-grade Ziploc bags in the door of my freezer - making very efficient use of my space. It is easy to place a couple of blocks of frozen leftovers in a slow cooker on low for a few hours. I'm a fan of cooking one big batch of a main dish, then freezing leftovers for easy-peasy meals another day. Bonus that this cleans up great in the dishwasher!"
